## Represent DPU At I. U. Meeting

Dr. C. C. Green and Dr. Earl  
C. Bowman represented DePauw  
University at the meeting of the  
Indiana Unit of the Association  
for Student Teaching, held at  
Indiana University on April 18  
and 19. The general theme of  
this meeting was "Working To-  
gether for Improved Supervision-  
Student-Teacher Relationship." Dr.  
Paul Grim, of the University  
of Minnesota, addressed the  
group, and visitation of classes  
in which student teachers were  
working was an interesting part  
of the program. Dr. Grim stated  
that he has a DePauw University  
graduate as his graduate assist-  
ant and that he regards this man  
as one of the best persons he has  
observed work.

Directors of student teaching,  
supervising teachers, college  
teachers of education and some  
student teachers meet annually  
at some teacher education institu-  
tion in Indiana to consider  
problems in the area of student  
teaching. DePauw University  
was host to this group in 1941  
and during the business session,  
Saturday, April 19, invited the  
group to meet in Greencastle in  
the spring of 1953. The invita-  
tion was accepted. To be host  
to the Indiana group interested  
in teacher education is accepted  
by DePauw as a challenge and  
an opportunity and the Green-  
castle community will accept  
this meeting in like manner.

## 12,306 VOTERS REGISTERED IN PUTNAM COUNTY

County Clerk William Padgett  
reported Wednesday that an of-  
ficial tabulation of Putnam vot-  
ers registered for the primary in  
May gave a total of 12,306 per-  
sons.

This figure is a decrease of  
328 registered for the 1950 pri-  
mary when the official list total-  
ed 12,634.

In the general election in  
November, 1950, Mr. Padgett  
said a total of 13,457 were regis-  
tered.

The clerk gave as reasons for  
the decrease this year the fact  
that several families have moved  
away and quite a number of  
voters had failed to register. Mr.  
Padgett said that those not prop-  
erly registered at the present  
time can do so beginning May  
15, and be eligible to cast ballots  
in the election next November.

## General 'Ike' Sweeps Primary

PITTSBURGH, April 23.—  
(UP)—Gen. Dwight D. Eisen-  
hower, swept Pennsylvania's  
presidential "popularity" pri-  
mary with a half-million-vote  
lead over his nearest opponent  
and his supporters claimed at  
least five of eight delegates in  
bitterly disputed Allegheny  
county.

The state's Republicans and  
Democrats each elected 60 unin-  
structed delegates yesterday to  
their July conventions in Chi-  
cago. Previously the GOP had  
named 10 delegates-at-large and  
the Democrats had picked 20,  
each of the latter having half a  
convention vote.

Sen. Robert A. Taft, whose  
name was not listed on the bal-  
lot, received enough write-in  
votes to forge ahead of Harold  
E. Stassen, who appeared with  
Eisenhower on the preferential  
ticket.

Taft supporters said they hop-  
ed to get four delegates in heav-  
ily populated Allegheny county.

Sen. Estes Kefauver of Ten-  
nessee led all the other presi-  
dential hopefuls in a dispirited  
Democratic write-in contest.

## EXTRA!

WASHINGTON, April 23.—  
(INS)—Commerce Secretary  
Sawyer today asked Economic  
Stabilizer Putnam to propose a  
pay increase for steelworkers  
and a top government advisory  
group upheld the wage board's  
recommendations in the dispute.

Sawyer, who is expected to  
give the CIO steelworkers a 12  
and one-half cent hourly wage  
boost this weekend, announced  
that Putnam would supply his  
proposals "as quickly as prac-  
ticable."

The Commerce Secretary said  
he would submit these propos-  
als to President Truman for his ap-  
proval and suggest that the  
chief executive call upon Put-  
nam "if he has any questions"  
concerning them.

WASHINGTON, April 23.—  
(INS)—A new move to impeach  
President Truman was launched  
in the House today by Rep.  
Bender, R., Ohio, who called for  
a special committee to study the  
chief executive's removal from  
office.

Bender introduced a resolution  
which would direct the speaker  
to appoint an eleven-member  
committee "to inquire and re-  
port to the House whether Harry  
S. Truman, president of the  
United States, shall be impeach-  
ed."

Bender's move came approx-  
imately 24 hours after Rep. Hale,  
R., Maine, submitted an im-  
peachment resolution because of  
Mr. Truman's seizure of the steel  
industry.

Hale's resolution would direct  
the Judiciary Committee to con-  
duct the impeachment inquiry.

BLOOMFIELD, Ind., April 23.  
(INS)—Judge Edwin B. Long  
and an all-male Greene circuit  
court jury heard final arguments  
in the Thanksgiving dinner mur-  
der trial of Ralph Groves. The  
trial is expected to go to the jury  
this evening or tomorrow morn-  
ing.

WASHINGTON, April 23.—  
(INS)—The House today vir-  
tually killed for this year a po-  
litically controversial bill au-  
thorizing President Truman to ap-  
point 23 additional federal judg-  
es.

By a roll call vote of 165 to  
149, it sent the measure back to  
the judiciary committee. This is  
expected to keep the bill from  
reaching the House floor again  
this session.

Indiana was slated to get an  
extra federal judge, and the  
judgeship had been slated for  
State Supreme Court Judge  
Paul Jasper of Fort Wayne, a  
Democrat.

## Hundred Blood Donors Needed

More than a hundred donors  
are still needed to fill Greencas-  
tle's quota during the visit of the  
Red Cross bloodmobile Tuesday,  
April 29, according to Walter  
Ballard, Putnam county chair-  
man of the American Red Cross.

The bloodmobile will be at the  
Elks Club from 9:45 to 3:30 p. m.  
on that date. Persons wishing  
to donate a pint of blood are  
urged to call the Red Cross,  
number 4, or 550 after office  
hours.

Mr. Ballard stated that the  
slow registration of donors is  
distressing. He expressed hope,  
however, that following meet-  
ings of employees in local indus-  
trial establishments and service  
groups, the donor list will  
lengthen.

## PRISON RIOT SITUATION IS STILL TENSE

10 GUARDS BEING HELD AS  
HOSTAGES DESPITE  
WARDEN'S PROMISE

JACKSON, Mich., April 23.—  
(UP)—A clique of inmates who  
touched off the worst riot ever  
to hit the world's biggest walled  
prison continued to hold out for  
peace today despite a promise  
by Warden Julian Frisbie that  
demands would be fulfilled.

Holding 10 prison guards hos-  
tage as "bargaining power," the  
173 die-hard convicts in cell-  
block 15 sought further assuranc-  
es against reprisals for their  
part in uprisings in which one  
inmate was killed and eight oth-  
ers wounded by state police bul-  
lets.

Frisbie "negotiated" with the  
rioting element by telephone in-  
to the wee hours of the morning as  
two squads of State Police quell-  
ed the latest flare-up at southern  
Michigan prison.

"I'm going along with you on  
all these things. I've told you  
that and I meant it," the Warden  
said almost pleadingly to Earl  
Ward, 27-year-old admitted  
psychopath acting as spokesman  
for the rioters.

Frisbie was referring to 11  
prisoner demands, which he has  
granted in hopes of saving the  
hostages and restoring peace to  
the sprawling pentagon-shaped  
prison. The hostages, most of  
them held since rioting began  
Sunday night, faced almost cer-  
tain death if State Police tried  
to storm the cellblock fortress.

Frisbie said peace was being  
delayed by discussions over a  
new parole plan, one of the  
points contained in the 11-point  
manifesto which was broadcast  
over the prison's public address  
system yesterday by two of the  
cellblock's spokesmen.

# FARM NEWS-REVIEW-FORECAST

## Of Interest to Putnam Co. Farmers

First row — Left to Right — Jane Ann Hess, recreation leader; Sandra Whitaker, secretary; Betty Sue Williams, news reporter.  
Second Row — Carolyn McAllister, vice-president; Catherine Caywood, song leader; Donna Shoaf, health and safety; Susan Johnson, recreation leader; Kay Wilson, president.

This is the third year the Merry Maids have been organized. Originally, this group was called the Steady Stitcher's Club, which as far as available records show was one of the original girls' clubs organized in the county. One of the outstanding accomplishments is that this club, from its organization has always been a Standard Club, which means they have won a seal for their charter each year since they were organized. There are twenty enrolled at present. The usual number enrolled has been from 20 to 24.

Among the activities the girls look forward to are the annual picnic, the dress revue and ice cream supper. This club has always had at least one demonstration in the county contest.

As this is a junior club, the first year girls are limited to two projects. If they complete these successfully they may add another the second year.

Assisting the adult leader, Mrs. Bernice Steward, are junior leaders Jacquelyn Steward and Ardell Clodfelter. We wish the Merry Maids their usual successful year.

**KENNETH HARRIS**  
County Agent

This morning we received a card from Herman Ramsey from Plainfield reminding us that the Central Indiana Wool Show will be held on May 3. This is an annual affair and will be held in the Plainfield High school building.

There will be four separate

classes: fine wool, one-half blood, three-eighths and one-quarter blood. Charles Poland of the Indiana Farm Bureau Wool Cooperative will be the judge and Henry Mayo from Purdue will be on hand to talk about sheep management.

Several Putnam County sheepmen have participated in this event in the past and have won their share of prizes. We hope there will be a good number of entries from here again this year.

### Walnut Valley Home Demonstration Club Meets

The Walnut Valley Home Demonstration Club met recently at the home of Mrs. Grace McCullough. The meeting was opened by the president, Mrs. Leona McCullough. Mrs. Mabel

Gray led the singing of the "Old Oaken Bucket."

The lesson "Care of Electrical Equipment" was given by Mrs. Mabel Gray. This was the last half of the lesson.

Other educational material presented was a safety hint given by Mrs. Ruth Torr.

During the business session the pledge to the flag and the club creed was led by Mrs. Mabel Gray. The secretary and treasurer's reports were read and approved. For roll call each member responded with "a foolish superstition." The meeting closed with the club prayer and collect.

The social and visiting period consisted of a contest conducted by Miss Laura McCullough. Prizes were won by Mrs. Mary Halton, Mrs. Edythe Knight, Mrs. Leona McCullough and Mrs. Mary McAninch.

The next meeting will be held with Mrs. Fred Nichols May 6.

## Why the right power is so important to truck buyers

When a truck engine is too small for the job, you'll pay in poor performance and high upkeep. When it's too big, you'll waste money on operating costs.

To be sure of the right power on every job, Dodge builds eight great truck engines. There's one "Job-Rated" to fit your work.

In fact, you get a truck that's "Job-Rated" in every way. Every load-moving unit is factory-engineered to meet the most severe operating conditions. And every load-carrying unit is factory-engineered to provide the strength and capacity needed.

We'll gladly tell you all the facts about Dodge "Job-Rated" trucks.

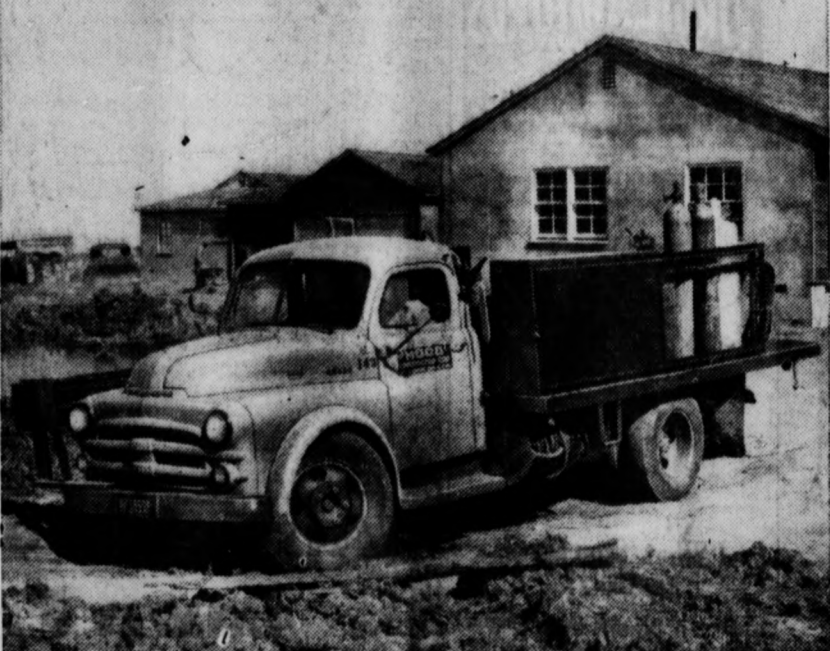

Records show low upkeep. For dependability and low repair costs, rugged Dodge truck engines have 4-ring pistons with chrome-plated top ring and heat-resisting exhaust valve seat inserts.

Tests prove power with economy. To save gas, powerful Dodge truck engines employ compression ratios as high as 7.0 to 1. And on high-tonnage models, a twin carburetion and exhaust system is used.

Owners report, "Greater value!" You get all these plus values: Cycle-bond brake linings; easier handling, sharper turning; gyrol Fluid Drive available on all 1/2, 3/4- and 1-ton and Route-Van models.

"When power is needed, Dodge trucks have it!"

...says C. R. SHEARMAN, Head Construction Co., Lynwood, Calif.

"We've been big Dodge users for many years, because our business demands trucks that are dependable, economical and rugged."  
"We do most of our driving over rough ground, a lot of it in the mud. The trucks work with crews who are laying pipe in the field. This kind of hauling calls for plenty of power to carry equipment to the men."  
"And when power is needed, Dodge trucks have it! They seem to be able to pull anything."

## It's Blackwood For Bridge

By Easley Blackwood  
Mr. Dale Makes A Wise Decision

Mr. Dale was playing his play-ers when he decided to take out Miss Brash's double of the four spade bid. His hand was not very well suited to defensive play and might produce only one defensive winner, the ace of clubs. As it happened, four spades would probably be set a trick. But, even so, Mr. Dale's decision brought him an even better result, because he made the five heart contract.

Mrs. Keen led the king of spades and Mr. Champion overtook and returned a spade, which Mr. Dale ruffed. The king of hearts was played and Mrs. Keen won with the ace and led the queen of spades.

Now Mr. Dale had lost two

tricks. Missing the king, ten, nine and eight of diamonds, there appeared to be a very possible loser in that suit. Unless of course, Mrs. Keen had the king only once guarded.

There was one other possibility for the contract, the development of a squeeze. Mr. Dale figured his chances like this. Mrs. Keen was known to hold the balance of the spades as Mr. Champion had shown out of the suit. She would have to hold one high spade to beat dummy's nine spot. If she also held the king of diamonds, guarded twice, the king was not in a position to win the second round of the suit. That is, a finesse would give the first round to the queen and the ace would win the second. Therefore, the king was reduced to a third round winner. So Mrs. Keen would have to hold three diamonds and a spade—four cards

in all.

Four tricks had already been played and Mr. Dale could run five more hearts and the ace of clubs—a total of ten. Therefore Mrs. Keen could be reduced to three cards and the squeeze was on.

Mr. Dale led all his trumps, then the ace of clubs. Having to keep a spade to top dummy's nine. Mrs. Keen dropped a diamond at trick ten. The diamond finesse followed by the ace of diamonds then killed her king and the jack of diamonds won the last trick.

## ATTENTION VOTERS

Due to the duties of my office, it will be impossible for me to make an active canvas of Putnam voters for the primary election.

Because of holding office, I don't deem it proper for me to take the time of taxpayers to make a personal campaign, therefore, I am attending strictly to the duties of my office during office hours.

Your support in Tuesday's primary, May 6, will be greatly appreciated.
